

Adams Avenue rehabilitation from Fairview Road to Peterson Place

Construction began in early April to remove and replace damaged concrete sidewalks, curb, gutter, and wheel chair ramps on both the north and south sides of Adams Avenue between Fairview Road and Peterson Place.

Following completion of this work, street paving operations will be initiated, which includes grinding the existing roadway pavement and replacing with new, rubberized hot mix asphalt, and restriping of lane lines and legends.

Work will be conducted during daytime off-peak hours. A minimum of one-lane of traffic shall be maintained in each direction at all times.

All work is tentatively scheduled to be completed by mid-May.
