

Assistance still available for eligible Costa Mesa residents behind in rent payments

The eviction moratorium ended in California on Sept. 30, but Costa Mesa residents who are eligible may still get assistance to help pay their back rent if they were impacted by COVID-19 related economic setbacks.

Passed by the City Council last June, the CDBG-CV Rental Assistance Program assists low to moderate-income Costa Mesa residents who were impacted by the coronavirus pandemic.

Assisting residents in need will go toward maintaining housing stability during these difficult times.
