The City of Costa Mesa is proud to announce that Costa Mesa Fire Chief Dan Stefano has been inducted into the inaugural class of the California Fire Chiefs Hall of Fame 2023.

The California Fire Chiefs Association (CalChiefs) recently established the California Fire Chiefs Hall of Fame (HOF) to honor and celebrate lifelong contributions and achievements of Fire Chiefs who have gone above and beyond to enhance the California Fire Service.

“Fire Chief Dan Stefano is a blessing to the City of Costa Mesa,” Mayor John Stephens said. “He has served our community with distinction as our fire chief for over 10 years. During that time, he has developed a department that is second to none. Chief Stefano is a role model, not just in the Fire & Rescue Department, but throughout the city staff. He is definitely a first-ballot Hall of Famer who well deserves this prestigious honor.”

Chief Stefano and OCFA Chief Brian Fennessy are among the few chiefs who have been named to the Hall of Fame while still working in the field. The majority, which includes inductees dating back to 1919, have retired before receiving the honor or have been recognized posthumously

A few Orange County notable inductees include retired Fire Chiefs Chip Prather (OCFA), Tim Riley (Newport Beach), Jeff Bowman (Anaheim and OCFA), and Ronny J. Coleman (San Clemente, Fullerton and California State Fire Marshal). Coleman was recognized in a celebration of life memorial service this past September.

“I am beyond humbled and unbelievably honored to be included with this amazing group,” Chief Stefano said. “This honor really speaks to the talented teams and organizations that I have been so fortunate to have been a part of throughout my professional career and, at the heart of it all, my incredible family, friends and professional colleagues, all of whom I am very grateful for every day.”

City Manager Lori Ann Farrell Harrison was thrilled to hear of Stefano’s induction.

“We are so very fortunate in Costa Mesa to have Chief Stefano’s leadership and steady hand directing our Fire & Rescue Department,” Farrell Harrison said. “He is a true leader that is highly regarded both in Orange County and throughout the State for his experience, leadership and courage. On a personal note, I am thankful for his friendship and his commitment to the City of Costa Mesa. We are all better for knowing him. Congratulations to Fire Chief Dan Stefano on this incredible accomplishment.”

With a far reaching and diverse range of organizations in the nomination process, CalChiefs ensures a wide-ranging and all-inclusive perspective when selecting inductees, highlighting the significance of each Fire Chief’s induction. By creating

this Hall of Fame, CalChiefs brings public awareness to the sacrifices and dedication of the premier leaders in the fire service industry and inspiring others to follow suit.

OC Health Care Agency and City of Costa Mesa Collaborate to Address Homelessness and Behavioral Health

COUNTY OF ORANGE – HEALTH CARE AGENCY

For Immediate Release:

October 25, 2023

Contact:

HCA Communications

HCAComm@ochca.com

(714) 834-2178

(Santa Ana, CA) – The OC Health Care Agency (HCA) is partnering with the City of Costa Mesa to enhance services for individuals experiencing homelessness and serious behavioral health conditions. This joint initiative, through the Behavioral Health Bridge Housing (BHBH) Program, is funded through a \$4 million grant from the County of Orange.

“The partnership between the County of Orange and the City of Costa Mesa reflects our unwavering dedication to the welfare of our community,” said Chairman **Donald P. Wagner**, Third District Supervisor. “The BHBH Program is a crucial step forward in addressing the homelessness crisis and supporting those with behavioral health challenges.”

The primary objective of the BHBH Program is to provide immediate and sustainable solutions for individuals experiencing homelessness who face significant behavioral health barriers to accessing assistance. A total of 15 new beds will be established through this grant. The program allocates funds for operational and supportive services and for facilitating the expansion of bridge housing initiatives.

“For too long cities invested local dollars to boost up the County’s system of care; but it’s a new day in Orange County. The BHBH Program serves as a testament to the County’s commitment to combat the homelessness, behavioral health, and substance use crises head on,” said Supervisor **Katrina Foley**, Fifth District. “This new housing for our most vulnerable residents fills a gap in the current system of care, expands Costa Mesa’s shelter, and creatively leverages funding to expand supportive services.”

The BHBH Program is part of the larger initiative led by the California Department of Health Care Services (DHCS), which will provide a total of \$1.5 billion in funding. For more information about the program and a list of grant recipients, the public can visit [here](#).

“For years, Costa Mesa has led the way in addressing homelessness through outreach and housing, being one of the first to build a bridge shelter,” said City of Costa Mesa Mayor, **John Stephens**. “The County’s BHBH Program will fill a gap in our service by providing on site mental health and addiction treatment. We thank the County, and Supervisor Katrina Foley specifically, for partnering with Costa Mesa to assist those in the greatest need.”

The collaboration between the County and the City of Costa Mesa underscores the benefit of partnerships in addressing complex societal issues. This joint effort will leverage resources and expertise from both sides to forge the new project.

“This partnership enhances our ability to support the well-being of our community,” said HCA’s Chief of Mental Health and Recovery Services, **Dr. Veronica Kelley**. “The program will offer a lifeline to those who are experiencing homelessness and struggling with serious behavioral health conditions.”
