Bark Park to reopen beginning this Saturday June 13

The City of Costa Mesa will reopen the Bark Park, with new rules and guidelines in place, this Saturday June 13.

“I know that many residents and their furry friends are anxious to return to the Bark Park,” Mayor Katrina Foley said. “As we reopen it’s critical that our guests follow the social and physical distancing guidelines as well as clean up after pets playing in the park so that we can stay open. I’m looking forward to seeing many dogs running free during my daily walk past the park.”

Amenities will not be open at the park to limit touch points, including seating areas and dog water bowls. The public is encouraged to bring their own chairs, water, and dog water bowls to hydrate pets.

Additionally, as part of practicing responsible pet ownership, the public is encouraged to bring their own dog waste bags to pick up after their pets.

New signs are posted with the following guidance:

- Use facility at your own risk.
- Practice physical distancing of six feet or more.
- No gathering.
- Benches within Bark Park will remain closed at this time.
- Facial coverings are required while visiting the Bark Park.
- Practice good hygiene and stay home if you are sick.
- Wash your hands after visiting the park.
- Avoid petting or touching dogs that are not yours.

The Bark Park will be open daily from 7:30 a.m. to 8:45 p.m., except Wednesdays when it is closed for regular maintenance.
