

Police cite Bicycle Safety Month as a reason to urge caution for bicycle riders and motorists alike

The Costa Mesa Police Department and the California Office of Traffic Safety request bicycle riders and motorists alike to be cautious during May's National Bicycle Safety Month, and every other month during the year.

For riders and drivers, "Roll Model" means actively decreasing the risks of traffic crashes, preventable injuries and deaths. The National Highway Traffic Safety Administration reports that 818 bicyclists died and over 45,000 were injured in crashes in 2015, with deaths rising over 12% from 2014's numbers.

Over the 10-year period from 2006 to 2015, the average age of cyclists killed in motor vehicle crashes increased from 41 to 45. Alcohol involvement – either for the motor vehicle operator or for the cyclist – was reported in 37% of all fatal cyclist crashes in 2015.

Costa Mesa police officers conducted a specialized Bicycle Safety Enforcement Operation on Tuesday May 23, 2017, in an effort to lower deaths and injuries. Extra officers patrolled areas frequented by bicyclists and where bicycle crashes occur.

California has the Move Over Law to share the road requiring motorists to pass bike riders with at least a 3-foot cushion. Support community efforts in your community, be involved in bicycle safety, whether while riding a bike, or driving a vehicle. Officers will focus on violations observed by both motorists and cyclist.

CMPD reminds everyone – Be A Roll Model:

- Ride and Drive Focused – Never ride or drive distracted.
- Ride and Drive Prepared – Always expect the unexpected.
- Safety First – Always wear a bicycle helmet when on a bicycle and a seat belt when in a vehicle.
- Know the Rules of the Road – A bicyclist is considered a vehicle on the road with all the rights and responsibilities of motorized traffic.
- Share the Road – Both motorist and bicyclist should look out for each other and show mutual respect.

City of Costa Mesa issues statement on Costa Mesa Motor Inn Ruling

The City’s prior approval of a 224-unit apartment complex was dealt a legal setback Thursday after a Los Angeles Superior Court judge ruled the development didn’t conform with the State density bonus law.

In the case *Kennedy Commission v. City of Costa Mesa*, the Court reversed the City Council resolutions and ordinances that approved the apartment project, which would allow Miracle

Mile Properties to redevelop the now-closed Costa Mesa Motor Inn on Harbor Boulevard.

The Court fully rejected the Kennedy Commission's claim that the City engaged in housing discrimination.

However, the allegation by the Kennedy Commission that the City was responsible for relocation payments to previous occupants of the motel was transferred by the Court to another judge for resolution.

The City and its legal counsel are evaluating the options to resolve this matter.
