Ranch Afterschool Program recognized for excellence

Costa Mesa's Parks and Community Services Department has been chosen for the 2015 California Park & Recreation Society Award of Excellence for Environmental Stewardship for its Ranch Afterschool Program.

The Ranch Afterschool Program's collaboration with the OC Fair & Event Center, the City of Costa Mesa, and the Newport-Mesa Unified School District, aids in providing a unique after school experience in which students focus on agricultural concepts like gardening, livestock, and leather working.

"The Parks and Community Services Department is honored to receive the California Parks and Recreation Society's (CPRS) Award of Excellence in Environmental Stewardship, for the Ranch After-School Program," said Ashley Ocasio, the city's assistant recreation supervisor. "Children enrolled in this unique program learn first-hand what it means to be a farmer through lessons learned by cultivating farm land, gardening, raising and caring for livestock and creating leather crafts."

The students have a hands-on experience caring for animals on the Farm which includes: chickens, sheep, pigs, goats, llamas, cattle, and horses. They learn responsible animal care by cleaning stalls, grooming, and exercising the animals.

Additionally, the Farm dedicates land for each student to create and maintain an individual garden. Students' gardening responsibilities include planting, watering, fertilizing, weeding, inspecting for pests and harvesting their plot.

Agricultural education helps children learn about healthy food choices and teaches them different ways to access fresh fruits and vegetables. Most importantly, students begin to understand the deep impact agriculture has in their lives past, future and present.

"This free program is a true collaboration and would not be possible without the support of the Orange County Fairgrounds," Ocasio said. "This strategic partnership provides many Costa Mesa youth the opportunity to experience an unique after-school program, in which the focus is on agriculture and farming"

The California Park & Recreation Society awards program recognizes outstanding achievement in the areas of facility design, park planning, marketing and communication, and community improvement and programming through demonstrating the principals of resourcefulness, execution, accomplishment and alignment with the parks and recreation mission.

The presentation of awards will take place at the annual Awards Recognition Banquet scheduled for Friday, March 11, 2016 at the Hyatt Regency Long Beach, beginning at 5:30 p.m.

Hearing slated for Saturday on Fairview Developmental Center closure

On Saturday Feb. 6, state officials will hold a public hearing on the future of the Fairview Developmental Center from 10 a.m. to 5 p.m. The hearing will take place at the center's auditorium at 2501 Harbor Blvd.

[Click here for the agenda.](#)

City staff will be in attendance at this important meeting, and the City Council voted in October on its recommended uses for this land. The city's planning staff has conveyed that to state officials verbally and in this letter.

The recommendations are to be incorporated into the city's General Plan this year.

The city is recommending a mix of residential, open space and institutional uses, complementary to the Costa Mesa Country Club Golf Course and surrounding residential neighborhoods.

The city is also recommending that the maximum residential density for Fairview would be 15 to 25 dwelling units per acre, with a maximum number of 500 residential units for the entire site.

Additional housing units may be built, as long as they meet the density bonus provisions pursuant to state law.

At least 25 percent of the site will be dedicated to open space. The inclusion of institutional uses—such as public and private recreational facilities, sports parks, community centers, public facilities, and other similar uses—are also being recommended.

Le and Brown are named new sergeants for CMPD

The Costa Mesa Police Department has two new sergeants today as veteran officers Bang Le and Jimmy Brown were sworn in Thursday outside Chief Rob Sharpnack's office.

"We couldn't be prouder of these two individuals," Chief

Sharpnack told the crowd, which included Mayor Steve Mensinger, several top ranking officers and police staff and family members who had gathered in support.

Le is a Garden Grove native who joined the department in 2000 and was the first in his family to pursue a career in law enforcement, Sharpnack said.

Brown was born and raised in Orange and also started his law enforcement career in the year 2000, first joining the Los Angeles County Sheriff's Department. He became a Costa Mesa officer in 2005.

Le thanked the chief and his fellow officers for entrusting him and Brown with these leadership roles.

"It's something we take seriously and we promise we won't let you down," Le said. "It's a privilege and honor to carry on the great traditions of this department."

Brown also welcomed the challenge.

“I look forward to leading the next generation and moving forward with the department,” he said.

During the badge pinning, both men had their children do the honors, with Brown having his daughter pin his badge and Le had both his son and daughter take part in the ceremony.

Sharpnack pointed out how important the families are to these officers and others in the department and he thanked them for their support. And he reiterated that these promotions are symbolic of where the Costa Mesa Police Department is headed in the future.

“Our department is on the rise,” he said. “And we are going to seek excellence in all we do.”

Former CMPD Chief Neth receives Mayor's Award

Mayor Steve Mensinger presented former Costa Mesa Police Chief Roger Neth with the Mayor's Award at the Tuesday Feb. 2, 2016 City Council meeting.

Mensingher noted that Neth was an instrumental figure in the formative years of the Police Department, bringing innovative technology and other best practices to the Costa Mesa Police Department.

Not only was he one of the first three officers hired by the City, but he is credited as being the very first officer on patrol.

And with 22 years at the helm of the Department, Neth is Costa Mesa's longest tenured Police Chief.

Below is a video clip highlighting Neth's career.

“I'd like to thank Mayor Mensinger for this honor tonight,” Neth said. “I'm very proud to receive it.”

Neth said the city's first Police Chief Arthur McKenzie, who urged the officers to follow three principles: be innovative, be progressive and above all be professional.

“We were a new police department so we didn’t have to change old methods,” he said Tuesday night. “We built on those three principles.”

Plastic Eggs, Candy and Small Toys Needed for Easter Egg Hunt for Marine families

The city of Costa Mesa and the Costa Mesa Military Affairs Team are currently seeking donations of medium and large size plastic eggs, individually wrapped pieces of candy and small toys for the children of the City’s adopted 1st Battalion 5th Marine Regiment.

Donations of age-appropriate small toys will be greatly appreciated. Suggestions for toy donations include yoyos, toy soldiers, ball and jacks, stickers, erasers and bling rings which will fit inside of plastic eggs.

The age groups this year are:

Assistant CEO details challenges city faces on homeless issues

Costa Mesa Assistant CEO Rick Francis told attendees of the monthly Chamber of Commerce Breakfast Boost that the city is working hard through community outreach and with the help of clergy and others to address the problems of homelessness here.

"We are willing to do our fair share and we will never back down from that," Francis told the group gathered at the Costa Mesa Country Club on Thursday morning. "But if every city took care of their own, this problem would be a lot easier to manage."

Francis noted that recent counts of homeless in Costa Mesa show a 45 percent increase in that population, but his presentation highlighted the success of the city's outreach efforts and the work of the Network for Homeless Solutions, a city-sponsored group that includes, clergy, code enforcement, police and city outreach staff.

For example since 2013, the city was able to house 122 homeless people and reconnect 31 people with family members. From June of 2015 through December, volunteers clocked upward of 880 hours helping the homeless.

He pointed out to the audience several of the factors that lead to homelessness, including the price of housing, underemployment, a dramatic increase in drug use and abuse, especially heroin, and sober living home operators who have clients that drop out and go back onto the streets.

Changes in legislation to address prison overcrowding have also led to problems as criminal offenders spend less time

incarcerated and are free to commit crimes more quickly.

Joining Francis at the breakfast were members of the city's Network for Homeless Solutions, including Bill Nelson of Fresh Beginnings Ministry, Ian Stevenson of Trellis and Muriel Ullman, the city's homeless liaison. City CEO Tom Hatch and Fire Chief Dan Stefano also attended the breakfast.
