

CalOptima Health Launches street medicine program in Costa Mesa

CalOptima Health, in partnership with the City of Costa Mesa and Celebrating Life Community Health Center, launched a street medicine program this month to deliver comprehensive health care to people experiencing homelessness.

Costa Mesa is the second city in Orange County to offer the CalOptima Health Street Medicine Program, which combines health and social services to address the unique needs of the vulnerable unhoused population. The program engages people experiencing homelessness where they are in the community, which reduces barriers to care and increases direct access to ongoing medical services. Expanded benefits are also available through Medi-Cal's new community-oriented services that provide coordinated, whole-person care. The CalOptima Health Street Medicine Program relies on collaboration with city, county and community organizations with the goal of helping individuals achieve better health outcomes and ultimately gain secure housing.

"In the past six years, the County of Orange, City of Costa Mesa and our partners have stood up a system of care to support the whole continuum of needs by Orange County residents. One pervasive need by our unhoused neighbors is safe, reliable medical care," said Supervisor Katrina Foley, who represents the Fifth District on the Orange County Board of Supervisors. "By expanding street medicine into Costa Mesa, CalOptima Health and Celebrating Life Community Health Center will provide necessary medical services, as well as establish a vital trusted relationship with our homeless neighbors, so CalOptima Health can stabilize health from the root – housing."

“The CalOptima Health Street Medicine Program is focused on serving members experiencing homelessness, combining experienced health care providers with compassionate peer navigators, to help those in need on the streets,” said Michael Hunn, CEO of CalOptima Health. “With the support of the City of Costa Mesa, the Mayor, City Council, Police and Fire, and our community-based partner provider, Celebrating Life Community Health Center, we will bring life-changing health care to those most in need.”

Costa Mesa spans 16 square miles, and a customized vehicle that serves as a mobile exam room will cover this area to reach people in need. According to the 2024 Orange County Point in Time Count, there are approximately 300 individuals experiencing homelessness in Costa Mesa.

“The City of Costa Mesa is honored to be one of three Orange County cities chosen to implement CalOptima Health’s Street Medicine Program,” said John Stephens, Mayor of Costa Mesa. “This innovative approach to bringing medical care to those with the greatest need enhances the City’s comprehensive system of care. I am proud of the outstanding work of City and CalOptima Health staff to bring this project to fruition. Costa Mesa continues to be a model for effective, compassionate care in our region.”

In operation since 2018, Celebrating Life Community Health Center is a well-established provider in the community, operating a clinic at 700 West 19th Street in Costa Mesa. “Celebrating Life Community Health Center is honored to join forces with CalOptima Health and the City of Costa Mesa to establish this transformative Street Medicine Program,” said Sergey Sergeyev, CEO of Celebrating Life Community Health Center. “This initiative is a testament to our firm commitment to serve the most vulnerable members of our community. Our dedicated team is passionate about meeting people where they are – directly on the streets – to provide essential medical care and support.”

Finance's Elsa Barajas

receives the City Manager Leadership Award for the month of August

At the August Meet and Greet, Assistant City Manager Cecilia Gallardo-Daly teamed with Deputy City Manager Alma Reyes to present the Finance Department's Permit Processing Specialist Elsa Barajas with the City Manager Leadership Award.

"I truly appreciate Elsa's positive attitude and communication style which allows her to provide exceptional customer service," Gallardo-Daly said. "She has responded to thousands of inquiries in person, over the phone and via email in both in English and Spanish. She quickly identifies customer needs, problem-solves, and offers alternative solutions and her colleagues describe her as a team player, hardworking and reliable. I am thrilled to present her this award."

Barajas began her service with the City as temporary staff in April 2022 to assist the Treasury Division in reviewing and issuing Business Licenses. Barajas also serves as the Department's subject matter expert for the implementation of TESSA. She's embraced this role and

used her experience at the City of El Segundo during their LMS implementation and worked diligently on questionnaires, user-testing, legacy data, training guides and finally a successful Go-Live.

In January, Barajas was asked to fill-in for the City's Cashier position, where she handles all cash register payments made to the City, manages transactions, generates daily reconciliation, and closes balance sheets.

"He and the CMTV team have successfully partnered on video projects with every department and every elected official in the city, making everyone and every department in the city consistently look good. Thanks for spotlighting our City and our employees. I'm thrilled to give him this award."

His many duties include broadcasting meetings, writing scripts, shooting and editing videos, creating animations and his artistic work can be found on many of our "public facing" communication platforms, including Channel 3, Facebook, Instagram, YouTube and Granicus.

His combination of expert production and storytelling skills have helped make CMTV a nationally recognized operation, resulting in dozens of regional and national governmental video awards.

Dam started in Costa Mesa as a part time video production specialist in April of 2013. He has a bachelor's degree from Cal State Long Beach, with a major in journalism and minor in Chinese.

When he's not creating videos, he spends time as a longtime member of a "Taiko," or "Japanese percussion instrument" drumming group, performing shows at community events throughout Southern California.

Street sweeping cancelled during Memorial Day week

Due to the observation of the Memorial Day holiday on Monday, May 27, there will be no residential street sweeping the entire week as Costa Mesa Sanitary District also observes this

holiday pushing trash collection back one day.

This results in residential gutter lines being cluttered with trash cans making it difficult for street sweeper operators to do an efficient job. Street sweeping will resume back to normal schedule starting the week of June 3. No parking citations will be issued during this time.

The following are a list of tasks that Clean Street's operators will be conducting next week.

- City wide alley street sweeping
- Sweeping of park parking lots and other city-owned facilities
- Accident call outs and special requests
- Night route sweeping on all arterial streets

For more information, residents can call the city's street sweeping hotline at (714) 327-7471, which has been updated with this information.

**Costa Mesa to Consider
Hosting Raiders for 2024**

Summer Training Camp

The City of Costa Mesa is currently engaged in discussions with the Las Vegas Raiders, who have expressed interest in using the Jack Hammett Sports Complex for their 2024 Summer Training Camp.

The City Council will discuss a potential one-year agreement at the Tuesday, May 7 meeting.

“Costa Mesa is proud to be one of only two cities in the country to host an NFL team’s summer training camp in a publicly owned facility,” City Manager Lori Ann Farrell Harrison said. “Jack Hammett is a treasure and we are excited to potentially have a new NFL team training here.”

Mayor John Stephens agreed.

“I’m pleased to welcome the Las Vegas Raiders and their loyal fans, ‘Raider Nation’ to the great city of Costa Mesa for training camp this summer,” Mayor Stephens said. “The Raiders and Costa Mesa share a commitment to excellence, and our partnership will greatly benefit the community. Many thanks to Newport-Mesa School District, especially Costa Mesa High School, for collaborating with us in this endeavor. To quote Al Davis, ‘Just win, baby!’”

As part of the proposed agreement, the Raiders would pay \$165,000 in rent to the City along with other significant community contributions that include:

- \$600,000 in improvements to the fields at the complex
- Team Junior Training Camp for kids ages 6 to 12
- 100 tickets for local students to attend an NFL game in Southern California
- Donation of outdoor weight training equipment to Costa Mesa High School
- A New Mobile Recreation Van for programs in underserved

areas, and

- A \$10,000 donation to a local youth sports team

The Jack Hammett Sports Complex's fields typically undergo renovation during the summer months, ensuring no disruption to regular youth sports teams utilizing the facilities.

Starting in mid-July, the team will use the fields at the Complex for its training camp and will bring fields No. 3 and 4 up to current NFL standards. Additionally, the team has committed to hosting public practices, providing fans with an opportunity to witness their favorite players up close.

The City and the Raiders plan to work closely together to ensure there are minimal disruptions to the community and neighborhoods around Jack Hammett Sports Complex.

Given that the training camp will coincide with the annual OC Fair, the City and the team will collaborate on a comprehensive plan for managing parking and traffic in the area.
