

Private Costa Mesa School Teacher named as one of the top 25 in county

Mariners Christian School of Costa Mesa announced that its beloved fourth grade teacher, Kristin Knecht of Mission Viejo, was chosen as one of the Top 25 Teachers in Orange County for 2016 by OC Parenting Magazine.

The surprise announcement came in Knecht's classroom, who received balloons, flowers, and cheers from fellow teachers, administrators, and her students.

Knecht has over 20 years of teaching experience in fourth grade, four of them at MCS.

"Mrs. Knecht is dedicated to the idea of fostering creativity, imagination, and finding ways to apply content to the real world to motivate her students. She desires to know the unique dreams and aspirations of each student in the classroom in order to make learning come alive," said Elementary Principal Reggie Biancalani.

One of Knecht's educational commitments is to model for her students what it means to be a "lifelong learner" by pursuing professional development opportunities as often as she can.

From attending the California Math Council Conference so that she can teach her students to think like mathematicians, to the latest training on Literacy from Columbia University Teacher College Reading and Writing Program, Knecht is ready to implement top teaching strategies to benefit her class.

She understands the importance of assessing growth as vital data to ensure students are increasing their level of achievement.

Recently she helped implement a new national standardized assessment program called MAP (Measure of Academic Progress) geared towards identifying students' strengths and weakness in the math, reading, and language.

This year, Knecht served on the school's accreditation steering committee, the admissions committee, and she is instrumental in co-leading a group of 130 parents and 4th grade students to Sacramento and San Francisco each spring to make social studies come alive.

In addition to being a wife of 17 years and mother to her daughter Riley (an MCS student), teaching is truly Knecht's passion, and it is not uncommon to find students from years past visiting her classroom for a hug and pep talk.

Costa Mesa High School's Mesa Minute

Mesa Minute is being distributed through the High School's Peachjar program. If you have a student registered at CMHS/MS, you are automatically getting this bi-weekly newsletter to the parent emails established in the CMHS/MS database. Click on the button on the right to be linked to the rest of the newsletter. They will be available on schoolloop. Please email vhatch@nmusd.us for any subscription issues. Mesa Minute can also be viewed on cmhs.schoolloop.com.

No School

There will be no school on:

February 15th–19th for Presidents Recess

Mesa High/Middle School Newsletter

Lunch & Learn Engineering & Manufacturing

February 24, 2016 during lunch in the library

Enjoy pizza while you hear about the various career pathways available in engineering and manufacturing from professionals who have the up-to-date insight

RSVP with Ms. Allie Hatch or Mrs. Mary Harrison (schoolloop, in person, phone) to reserve your pizza!

COSTA MESA ZONE ELEMENTARY SCHOOL ANNOUNCEMENTS

Tutoring is available Mondays and Wednesdays from 2:00 p.m.–5:00 p.m. in the Room 146. Students interested in applying to be a tutor can get an application in the College & Career Center and the Community Service Office. For questions please contact Allie Hatch.

COSTA MESA ZONE SCHOOLS PARTICIPATE IN THE HOUR OF CODE!

All of the schools in the Costa Mesa Zone participated in the Hour of Code on December 9, 2015. All students had the opportunity to do computer programming. Computer programming is important for our students. It will help them learn the skills needed for their future.

A BIG "SHOUT OUT" GOES TO DAVIS MAGNET SCHOOL STUDENTS!

A Shout Out is the new form of positive reinforcement that is sweeping across the Davis Magnet School campus. Students may earn Shout Outs when caught following the school's five core values. Upon receiving a Shout Out, students turn in the white copy of the duplicate form to the grade level appropriate box in the front office. The yellow copy is shared with the class and/or sent home to parents. On the last Thursday of every month Mrs. Flores randomly selects two student names from every grade level box to be recognized at flag deck. Those students receive a special certificate and have their picture taken. The pictures are then on display for the remainder of the year. Davis Magnet School is in Tier II of PBIS (Positive Behavioral Intervention and Supports). After several meetings, discussions, and observations the staff created the school wide positive reinforcement system. Shout Out to the Davis staff for their collaboration and to our students for making good choices!

Featured ROP Student – January–Susan Bravo

Susan Bravo is one busy senior. She is currently enrolled in the ROP Certified Nursing Assistant course and upon completion will be taking the State CNA test for her license. She has registered for EMT in the spring and will have the opportunity to take the state EMT test at the same time that she graduates from CMHS. Wow! A CNA and EMT license. That is pretty amazing! As if that wasn't enough on her resume, she has completed the

ROP Animal Healthcare class and interned at a local animal hospital/clinic. She says that experience was quite interesting and fun as she worked with pigs, ferrets, chickens, and exotic birds.

After graduation, Susan has applied to several colleges in hopes of continuing her education in the medical field, possibly as a nurse practitioner.

Susan says the ROP classes have offered her a hands on experience and that her CNA internship has taught her much. In caring for these elderly patients she has discovered that, "It's not like a job. I look at it like I am carry for someone's family member. And someday, it could be one of mine." Susan is definitely a stand out student and person! Many ROP spring classes are still open for enrollment and several will be offered during the summer. Come into the career center today and pick up a catalog. Susan Bravo

Students at College Park Elementary participate in the Hour of Code on December 9th.

ASB made great signs to hang on the library walls and lined the sidewalk to the gym!

Costa Mesa High School Drama Presents Shrek the Musical

The production will run March 4 through March 13 with Friday

and Saturday shows beginning at 7 p.m. and Sunday showings at 4 p.m.

Tickets will be \$15 for adults, \$10 with ASB and \$8 for children 12 and under.

Ranch Afterschool Program recognized for excellence

Costa Mesa's Parks and Community Services Department has been chosen for the 2015 California Park & Recreation Society Award of Excellence for Environmental Stewardship for its Ranch Afterschool Program.

The Ranch Afterschool Program's collaboration with the OC Fair & Event Center, the City of Costa Mesa, and the Newport-Mesa Unified School District, aids in providing a unique after school experience in which students focus on agricultural concepts like gardening, livestock, and leather working.

"The Parks and Community Services Department is honored to receive the California Parks and Recreation Society's (CPRS) Award of Excellence in Environmental Stewardship, for the Ranch After-School Program," said Ashley Ocasio, the city's assistant recreation supervisor. "Children enrolled in this unique program learn first-hand what it means to be a farmer through lessons learned by cultivating farm land, gardening, raising and caring for livestock and creating leather crafts."

The students have a hands-on experience caring for animals on the Farm which includes: chickens, sheep, pigs, goats, llamas, cattle, and horses. They learn responsible animal care by cleaning stalls, grooming, and exercising the animals.

Additionally, the Farm dedicates land for each student to create and maintain an individual garden. Students' gardening responsibilities include planting, watering, fertilizing, weeding, inspecting for pests and harvesting their plot.

Agricultural education helps children learn about healthy food choices and teaches them different ways to access fresh fruits and vegetables. Most importantly, students begin to understand the deep impact agriculture has in their lives past, future and present.

"This free program is a true collaboration and would not be possible without the support of the Orange County Fairgrounds," Ocasio said. "This strategic partnership provides many Costa Mesa youth the opportunity to experience an unique after-school program, in which the focus is on agriculture and farming"

The California Park & Recreation Society awards program recognizes outstanding achievement in the areas of facility design, park planning, marketing and communication, and community improvement and programming through demonstrating the principals of resourcefulness, execution, accomplishment and alignment with the parks and recreation mission.

The presentation of awards will take place at the annual Awards Recognition Banquet scheduled for Friday, March 11, 2016 at the Hyatt Regency Long Beach, beginning at 5:30 p.m.

OCC soccer players get

Mayor's Award honor

Five players from the OCC Men's Soccer Team who earned a spot on the 2015 All-Orange Empire Conference Team were honored at City Council meeting on Tuesday Jan. 19.

Ryan Brown, Ty O'Connor and Costa Mesa High School graduate Peter Marquez were named to the first team, while Estancia High School grad Marco Pineda and Taylor Kane earned second-team honors.

This is not only a great individual accomplishment for each of these student athletes, but also a great honor for Orange Coast Athletics.

Learn more about Early College High School

Early College High School is hosting an informational night on Jan. 28, 2016 from 6:30-7:30 p.m. in the Multi-Purpose Room.

ECHS is for those students interested in an alternative to the typical large high school feel, those that are motivated, encouraged and ready for the challenge college classes bring. If this sounds like you, this program may be what you're looking for. [Click here](#) to see a flier about Early College High School.

After School program launches at Rea Elementary

The R.O.C.K.S After School Program announced that Rea Elementary is an official R.O.C.K.S site.

As of Nov. 16, the site has a total of 19 children registered.

Participants will partake in homework time, games, sports, enrichment activities, and arts and crafts. In addition, once a week, the Fitness Program will lead R.O.C.K.S participants in interactive and fun health, fitness, and nutritional activities to encourage a healthy lifestyle.
