

Chick-Fil-A operator honored with Mayor's Award

On Tuesday May 3, Mayor Steve Mensinger presented the Mayor's Award to Tammy Guadagno, the operator of the Chick-Fil-A restaurant on Harbor Boulevard, citing the organization's strong support for local schools and community groups.

"It's exciting to see Tammy's passion for our community and how she has ingrained that into her team of employees," Mayor Mensinger said. "We are grateful for Chick-Fil-A's investment in the Costa Mesa community and the positive impact they are having on the local economy."

Guadagno thanked Costa Mesa and said she gives back so much because the community takes care of her and her employees. In turn, she wants to return the favor and take care of Costa Mesa in any way she can.

"It is one of the best communities I've ever been involved in," she said. "I've lived in a lot of places and I'm not going anywhere. Costa Mesa is where I'm staying forever. It's an amazing city."
