

City looking for residents to take part in voter district Meet the Expert meetings

As part of an agreement the city has reached with a voting rights advocate law firm, City Hall will be hosting three Meet the Expert meetings as it prepares for a voter district formation initiative headed for the November ballot.

The meetings to be held in Conference Room 1A are the first of many that will take place before the measure goes to vote.

The Meet the Expert meetings are designed to be small, face-to-face events with no more than two or three people at a time. Members of the public will meet with a technical consultant, David Ely of Compass Demographics, who will give community members the opportunity to use geographic information system tools to better understand how boundaries are developed.

In order to participate in the Meet the Expert sessions please call the City Clerk office at 714-754-5225 to schedule an appointment. The first meeting will be held this Friday, May 6, beginning at 10 a.m. The next two meetings are scheduled for Thursday May 12, beginning at 10 a.m. and Saturday May 14, from 10 a.m. – 3 p.m.

There will also be two rounds of community meetings in the month of June and those dates will be forthcoming.
