

City staffer monitors JWA flight change discussion

City of Costa Mesa Principal Planner Minoo Ashabi attended the FAA on John Wayne Airport flight changes meeting on Wednesday Feb. 1 that was held at Newport Beach Oasis Senior Center.

The meeting was well attended and set up as an open house. There were two stations where residents could get the noise readings at their properties using this Google Earth application.

The arrival and departure routes have been published and will be fully implemented by April of this year.

As far as noise impacts to east Cost Mesa, there seems to be a pattern of slight decrease (0.1 dB variations); this is based on their noise model and assumptions of full compliance with the latest arrival and departure patterns.
