

Cleo Makes Her Debut as City Relaunches Pet of the Week Program

One of the main focuses of the City's new Pet Committee is engaging the Humane Society on a regular basis to continue to build our relationship and ensure a safe home for Costa Mesa's temporarily homeless animals. One way we are working to accomplish this is the relaunching of the Pet of the Week Program. On Thursday staff visited the shelter and selected its first star.

Cleo short for "Cleopatra" is a 5-year-old lab mix. She has smooth black fur and amber eyes that dazzle just about everyone she meets. Cleo is very polite, walks well on a leash and knows her basic commands. Despite being at the Humane Society for far too long, Cleo has kept her spunk and always has a smile on her face. She is spayed and ready to move into her Fur-ever home.

Come visit with Cleo today. For more information on Cleo or other available pets for adoption please visit the Orange County Humane Society located at 21632 Newland Street in Huntington Beach or call (714) 536-8480 or visit the website at www.ochumanesociety.com.
