

Costa Mesa Police Department unveils Coyote Management Plan with tracking tool

The Costa Mesa Police Department held a Town Hall meeting Tuesday April 25 to launch the first round of a new Coyote Management Plan to educate the public about ways to prevent and report coyote encounters.

“The key to mitigating coyote encounters is much like reducing crime,” said Capt. Mark Manley, who oversaw the plan’s creation. “It takes a partnership that starts with the community and links up with a comprehensive Coyote Management Plan.”

Costa Mesa Police Lt. Victor Bakkila, California Department of Fish & Wildlife Lt. Kent Smirl, and University of California’s Dr. Niamh Quinn answered questions and addressed concerns. The plan is modeled after other similar plans within Orange County and has three main components including education and prevention, coyote hazing, and the reporting of coyote encounters.

The City has launched a Coyote Information Page where residents can get information about the Coyote Management Plan and report sightings and encounters here on the Coyote Cacher.
