

Easter Egg hunt a big hit for Marine families

On Thursday March 24, staff and members of the City of Costa Mesa's Military Affairs team hosted an Easter egg event for the children of the City's Adopted Marine battalion, the 1/5 Marines at Camp Pendelton.

Members of the team stuffed over 2,000 Easter eggs for the event over a three-day period at City Hall.

The Costa Mesa Community came out in full support of the Marines with over 3,000 items being donated in the steam trailer located in the City Hall lobby. Congrats to all.
