Silver Celebration

Built in 1992 as a downtown hub for shopping and dining, The Triangle is now a popular dining and entertainment center, offering multiple restaurants and venues that can only be found at the Costa Mesa center. The Triangle is home to the only locations for La Vida Cantina and Time Nightclub, as well as Orange County's only location for H2O Sushi & Izakaya, and Tavern+Bowl, a boutique bowling alley and restaurant.

California's first Keys on Main, a dueling piano bar, is expected to open in early 2018 on the lower level of the center, at Newport and Harbor boulevards.

“The Triangle has been reimagined to focus more on dining and entertainment to meet the changing needs of consumers,” said Wil Smith, founder and president of Greenlaw Partners, which owns The Triangle. “With the proliferation of online shopping, we’re providing visitors with a fun destination to create memorable experiences that can’t be purchased online. Our summer music series is a perfect example of providing entertainment to be enjoyed over dinner on one of our restaurant patios, or before bowling or catching a movie followed by dessert at Creamistry.”

The Triangle is conveniently located at the end of the 55 Freeway, where Newport Blvd., Harbor Blvd. and 19th Street intersect. The center offers seven levels of free parking, as well as a Valet on the street level near Tavern + Bowl. The center also has a VIP Program offering discounts to various restaurants.
