Free with OC Fair admission, learn more about water-wise gardening from Mesa Water's staff during the 2016 OC Fair. You can see how water-wise gardens can be both beautiful and water-efficient through the use of California Friendly® plants and other landscaping features that prevent water waste and keep your garden – and wallet – green!

Join Mesa Water® for a tour of Mesa Water's waterwise garden in the Centennial Farm area at the OC Fair. This is an open house style format on Wednesdays from 12pm to 5pm on July 20, 27, and August 3, 10. For more information, email info@MesaWater.org or call 949.631.1201.
