

Local Streets and Bus Benches Get a Power Wash

Maintenance Division staff, in coordination with CleanStreets, recently performed pressure washing on 19th Street to clean up areas that were becoming increasingly dirty and unhealthful. And in recent weeks, the city has also worked Clear Channel to clean up some of the bus benches and shelters throughout the city, which had also become health hazards.

For the early morning pressure washing, City workers picked up all the debris left from the homeless prior to washing. Also, using two graffiti trucks, CleanStreets accomplished quite a bit in two hours prior to the start of rush hour.

They pressure washed the soup kitchen area, which was extremely filthy and covered in gum, and then pressure washed the entire length of west bound 19th from Meyer to Pomona, which included The Tower.

They then pressure washed the east bound sidewalk from the

Senior Center all the way to McDonald's. Most of the wash water was directed into the adjacent City shrub planters, with the sweeper picking up any water that went into the street in the areas without landscape. While the city did its best with the steam cleaner, it was only able to remove small amounts of the gum that had accumulated.

Everything was completed in two hours. Residents with street sweeping requests are encouraged to call 714-327-7471 or the Street Sweeping Hotline (Parking Enforcement): 714-754-5290.
