New COVID-19 testing kiosk to be open Saturdays and Sundays at the Senior Center

The City of Costa Mesa along with the Orange County Health Agency and 360 Clinic has entered into a partnership to offer free COVID-19 testing at the Costa Mesa Senior Center beginning this Saturday Jan. 9 through the end of March.

“This new testing and health kiosk at our Senior Center will allow those who live on the Westside better access to testing and healthcare resources closer to home,” Mayor Katrina Foley said. “Testing for COVID-19 is an important tool to help us get this virus under control, and we are grateful for our partnership with the County and 360 Clinic for helping us make this happen.”

Testing will be available by appointment only at a kiosk at the Senior Center from 9 a.m. to 3 p.m. Saturday and Sunday. The Costa Mesa Senior Center is at 695 W. 19th St.

The kiosk will provide up to 500 tests a day. Clinicians will be available to answer questions. Clinic staff will check-in patients that have pre-registered on the website and assign a test kit to swab. Results are received within 24-72 hours via text message or email.

Please register at www.360clinic.md and bring a form of ID and insurance card, if available.

Frontline workers and senior citizens with credentials will have priority. Bilingual assistance will be available.
