

New Ganahl Lumber facility is taking shape

The new Ganahl Lumber in Costa Mesa is currently under construction.

The new facility, being built just north of the existing facility on Bristol Street, will include a 59,340-square-foot, two-story retail building with roof and surface level parking.

Additionally, a 29,560-square-foot, one-story metal storage building; a 3,750-square-foot mill building; and a 6,792-square-foot, three-sided storage shed for lumber is proposed.

Estimated completion is spring of 2018.
