

Rea Elementary Named First NMUSD School to Become AVID Affiliate

Rea Elementary will be the first school in the Newport-Mesa Unified School District to convert to an AVID Elementary and Technology School.

Beginning in the 2016/17 school year, Rea Elementary with the adoption of the AVID program will better prepare its students for college and career success in a global society.

Advancement Via Individual Determination is a global nonprofit organization dedicated to preparing all students for college and other postsecondary options. AVID brings research-based strategies and curriculum to educational institutions that develop students' critical thinking, literacy and math skills across all content areas throughout the entire campus.

Key components of AVID include: student success skills, organizational skills and partnerships. Areas of focus include communication, note-taking strategies, critical thinking, time management and goal setting.

To prepare for the AVID implementation and refinement, Rea Elementary teachers will participate in various training courses and continue to collaborate weekly throughout the academic year.

Specifically they will address content areas in reading, writing and math and the alignment to WICOR (writing, inquiry, collaboration, organization and reading) lessons with a strong emphasis on formative data collection to ensure students are meeting their individual goals.

Along with implementing the core AVID components into lesson

plans, Rea Elementary will continue to focus on enrichment opportunities in Science, Technology, Reading, Engineering, Art and Math (STREAM), Visual and Performing Arts (VAPA) and Leadership, aligning all learning opportunities to preparing Rea students for college and career readiness.

For more information, please contact Rea Elementary Principal, Dr. Kalim Rayburn, at 949-515-6905 or krayburn@nmusd.us.
