

Residential street sweeping takes a break for the Christmas and New Year holidays

Due to the observation of the Christmas and New Year Holidays there will be no residential street sweeping beginning Wednesday, Dec. 25, 2019 through Friday Jan. 3, 2020.

Costa Mesa Sanitary District also observes these holidays pushing trash collection back one day.

This results in residential gutter lines being cluttered with trash cans making it difficult for street sweeper operators to do an efficient job. It has been requested that no citations be written on those days.

Street sweeping will resume back to normal on Monday Jan. 6, 2020.

The following tasks that Clean Street operators will be conducting next week.

- City wide alley street sweeping.
- Sweeping of Park parking lots and other City owned facilities.
- Temporary posting on industrial streets.
- Night route sweeping on all arterial streets.
