

Sandbags available at City Hall and Sanitary District yard to help residents prevent flooding

With inclement weather expected to hit Costa Mesa and Orange County over the coming days, the City of Costa Mesa and the Costa Mesa Sanitary district will offer self serve sandbag services.

The city services are in the rear parking lot of City Hall, located at 77 Fair Drive. Sand, bags and shovels are available and the number of sandbags is limited to 15 per household.

The Costa Mesa Sanitary District established a sandbag station at the district's yard. The station will be available before and during inclement weather conditions.

The district's yard is located at 174 W. Wilson Street. Costa Mesa Sanitary District will provide the bags and sand, but residents must bring their own shovel.

Additionally, Maintenance Services staff will be patrolling potential flooding spots to make sure catch basins are clear of debris and operational throughout the city.
