

Students get Immersed in Signature Academies

College Park Elementary School's Mandarin Immersion Program is accepting applications for the 2016-2017 school year. The program is available to kindergarten and first grade students who reside within the N-MUSD attendance boundaries. Enrollment is open district-wide and is not restricted to the College Park attendance zone.

Mandarin Chinese is the native language of more than 870 million people, making it the most widely spoken first language in the world. Kindergarten students currently in the program will transition to a Mandarin program in first grade, with the goal of continuing through middle and high school.

N-MUSD also offers two additional specialty elementary school programs – a Modern Scholars program at Adams Elementary and a Spanish bi-literacy program at Whittier Elementary. These programs are available for kindergarten students and first grade students (limited spaces available for first grade).

The District also offers Signature Academies at each high school, offering students a global competitiveness to better prepare them for college and career success. Students enrolled in Signature Academies receive unique curriculum options and supplemental activities that complement the core academic programs at N-MUSD high schools.

Signature academies include specialty programs centered on key, industry leading careers and areas of study such as Science, Technology, Engineering and Arts and Math (STEAM). Each of the four N-MUSD High Schools offer unique programs, which are open to all ninth grade students within the N-MUSD, regardless of their zone of residence. The application deadline for elementary school specialty programs and the high school signature academies is Friday, April 15, 2016.
