

New bus shelters and benches coming thanks to grant money city received

In 2014, the city captured a Measure M2 grant to improve three bus stops located at Harbor Boulevard/Victoria Street, Harbor Boulevard/Wilson Street, and Wilson Street/Harbor Boulevard.

Unique Performance Construction, Inc. has been awarded a contract in the amount of \$79,820 to complete the work.

The work to be performed consists of the installation of new bus shelters, bus benches and associated amenities.

Also included is the removal of the existing sidewalk and installation of a new decorative sidewalk.

Coordination with Edison and AT&T has taken place regarding adjustments to their facilities and work is now scheduled to begin.

Construction is anticipated to take approximately one month.
