

Rea Elementary Named First NMUSD School to Become AVID Affiliate

Rea Elementary will be the first school in the Newport-Mesa Unified School District to convert to an AVID Elementary and Technology School.

Beginning in the 2016/17 school year, Rea Elementary with the adoption of the AVID program will better prepare its students for college and career success in a global society.

Advancement Via Individual Determination is a global nonprofit organization dedicated to preparing all students for college and other postsecondary options. AVID brings research-based strategies and curriculum to educational institutions that develop students' critical thinking, literacy and math skills across all content areas throughout the entire campus.

Key components of AVID include: student success skills, organizational skills and partnerships. Areas of focus include communication, note-taking strategies, critical thinking, time management and goal setting.

To prepare for the AVID implementation and refinement, Rea Elementary teachers will participate in various training courses and continue to collaborate weekly throughout the academic year.

Specifically they will address content areas in reading, writing and math and the alignment to WICOR (writing, inquiry, collaboration, organization and reading) lessons with a strong emphasis on formative data collection to ensure students are meeting their individual goals.

Along with implementing the core AVID components into lesson

plans, Rea Elementary will continue to focus on enrichment opportunities in Science, Technology, Reading, Engineering, Art and Math (STREAM), Visual and Performing Arts (VAPA) and Leadership, aligning all learning opportunities to preparing Rea students for college and career readiness.

For more information, please contact Rea Elementary Principal, Dr. Kalim Rayburn, at 949-515-6905 or krayburn@nmusd.us.

Residents Are Warned To Beware Of The Invasive Tiger Mosquito

With the arrival of the Asian tiger mosquito or Aedes species in the county, the Orange County Vector Control District has issued an alert and is urging residents to protect themselves and their families from mosquito bites. Aside from being itchy and annoying, the bite of an infected female tiger mosquito can spread dengue, chikungunya, or Zika virus.

The district advises residents to use mosquito repellent and mosquito-proof homes by dumping standing water both inside and outside, discarding water-holding containers not being used, and making sure all window and door screens are in good repair.

Click [here](#) for more information, including an interactive map to locate infested areas. Also, literature about this health advisory is available at City Hall.

Prostitution Crackdown Results In 32 Arrests, Mostly At Local Motels

Costa Mesa PD Special Investigations Unit (SIU) made 32 arrests for prostitution over the last two weeks, according to Police Chief Rob Sharpnack.

The majority of these arrests have come from the Vagabond Inn and the La Quinta, Sharpnack said.

These arrests involved both in-person solicitations and meet ups secured through online advertisements, he said.

Additional investigation has shown the prostitutes have left for other cities and the word from multiple interviews is that the Costa Mesa Vice Unit is cracking down and Costa Mesa is not a safe haven for prostitutes.

Gordon Bowley presented with Mayor's Award

Longtime Costa Mesa resident Gordon Bowley was presented the Mayor's Award on Tuesday March 1 as a way to honor and thank him for his years of service to the community, especially in the areas of youth and high school sports.

Bowley has been actively involved in a number of different

community groups and organizations, including the Costa Mesa Chamber of Commerce, the Hoag Hospital Foundation, St. Andrews Church and the YMCA to name a few.

But it has been his work with Costa Mesa United and the Costa Mesa Youth Sports Council where his impact has been felt the most, Mayor Steve Mensinger said as he presented Bowley with the award, which included a key to the city.

Bowley served as both the president of Costa Mesa United and as Chairman of the Youth Sports Council, and he has been an instrumental figure in the growth and success of the Mesa Verde Classic Golf Tournament, which is the largest fund raising event for youth sports in Costa Mesa. This year's event raised more than \$90,000.

"For your years of service to this community, and your outstanding leadership, it is my honor and privilege to present you with the Mayor's Award," Mensinger said.

Second Harvest Food Bank at Adams Elementary

Every school day at Adams Elementary is filled with services to help students learn and grow.

This year thanks to the extraordinary coordination efforts of school community facilitators, Adams has added another service for its school community to expand its wrap around services.

The Second Harvest food bank is a monthly program where families come to the school and participate in a farmers' market style food pantry.

There is no cost for the program, and families leave with more fresh fruits and vegetables than they can carry.

Additionally, representatives from The California Champions for Change provide families with healthy recipes and training on reading nutrition facts on food labels.

Each month, the food bank becomes a gathering place for families to meet each other, connect with their children's school and develop healthy habits that will last them a lifetime.

The food bank is run by volunteers from within the Second Harvest organization and parents from Adams Elementary School.

To find out more about Second Harvest at Adams, please contact Ilse Taborga in the Adams front office.

Jessica Mejia gets February CEO Leadership Award

At the February Meet and Greet last Thursday Feb. 25, City CEO Tom Hatch presented Deputy City Clerk Jessica Mejia with the CEO Leadership Award.

"The City Clerk's Office is right on the front lines of City Hall," Hatch said. "We have a great team in that office who help the public with all their requests on a daily basis and Jessica is a big part of that team."

Mejia has been with the City of Costa Mesa for a year and a half. Prior to coming to Costa Mesa she worked for the cities of San Dimas and Monterey Park.

She graduated from Cal Poly Pomona with a Bachelor's Degree in English. When she's not helping manage the City Clerk's office and marathon council meetings, she is running marathons.

She is an avid runner and over the last two years she has run 28 half marathons, and two full marathons, the L.A. Marathon and the San Francisco Marathon.

Mejia has been very helpful assisting all the new Committee and Commission secretaries on how to prepare agendas, comply with legal requirements and run the meetings.

She serves as a positive role model as she provides guidance, leadership and assistance to the secretaries.

In addition to Mejia, the city paid tribute to 10 newly hired employees as well as 11 who received recent promotions.

SCR's Junior Players Take the Stage

The Witches, adapted by David Wood from Roald Dahl's popular fantasy novel, and directed by Mercy Vasquez, will be presented by South Coast Repertory's Junior Players in the Nicholas Studio, March 12-20, 2016.

The cast are members of SCR's Junior Players (grades 6-8), chosen through audition after at least two years in the Theatre Conservatory. These young actors attend class twice weekly during the school year, with additional rehearsal time

prior to their annual performance.

The Junior Players portray all the roles in Wood's stage version, and include Costa Mesa residents Sasa Klein and Caitlyn Roum in featured roles.

SCR's Junior Players (grades 5-8), Teen Players (grades 9-12) and Summer Players (grades 4-12) present three productions annually in the Nicholas Studio and Julianne Argyros Stage. Players are chosen through audition from students in SCR Theatre Conservatory's Kids and Teen Acting Classes.

Developers break ground on new luxury living project at 580 Anton

To celebrate its soon-to-be-constructed 250-unit luxury apartment building, executives from Legacy Partners joined together with city and business leaders on Thursday Feb. 18 for a mid-morning Groundbreaking Ceremony at the 580 Anton Blvd. South Coast Metro location.

Standing in front of the active construction site complete with bulldozers, Timothy O'Brien, the managing director of Legacy Partners hailed the virtues of this new project and all it stands to offer the residents who will live within walking distance of world-class dining, shopping and entertainment.

"We set out to design something that is timeless, classic and

beautiful,” O’Brien said. “This is a fantastic place to develop a project.”

O’Brien, a lifelong Costa Mesa resident who attended Estancia High School, also complimented the city employees who assisted him in getting this project approved, and he even went as far as calling Costa Mesa’s staff the best in the state.

Costa Mesa Mayor Steve Mensinger and Councilwoman Sandy Genis also attended the event and heaped praise on the project and what it will mean to Costa Mesa.

“This project stands to create tens of thousands of jobs,” Mensinger said.

When complete, the building will yield more than 200,000 square feet of rentable space, which will have luxury amenities and appliances as well as a fully fitted clubhouse, a concierge entry, a dog-wash station, a fitness center with a lake view, a wine bar and much more.

Legacy Partners, a privately held real estate firm based in San Francisco, acquired the former retail center in May of 2015 in a joint venture with Prudential Real Estate Investors. The development is set to complete by fall of 2017.

Tips for Tree Care During Drought

The urban forest is a cherished resource that provides cleaner air, cooler temperatures, enhances public health and creates vibrant lively neighborhoods. As the climate becomes warmer and drier, saving our existing tree canopy and planting new trees is wise. New bus shelters and benches coming thanks to grant money city received

In 2014, the city captured a Measure M2 grant to improve three bus stops located at Harbor Boulevard/Victoria Street, Harbor Boulevard/Wilson Street, and Wilson Street/Harbor Boulevard.

Unique Performance Construction, Inc. has been awarded a contract in the amount of \$79,820 to complete the work.

The work to be performed consists of the installation of new bus shelters, bus benches and associated amenities.

Also included is the removal of the existing sidewalk and installation of a new decorative sidewalk.

Coordination with Edison and AT&T has taken place regarding adjustments to their facilities and work is now scheduled to begin.

Construction is anticipated to take approximately one month.

Costa Mesa High School Drama Presents Shrek the Musical

Come check out the Costa Mesa High School Drama department's presentation of Shrek The Musical at the Costa Mesa High

School Performing Arts Center located at 2650 Fairview Road.

The production will run March 4 through March 13 with Friday and Saturday shows beginning at 7 p.m. and Sunday showings at 4 p.m.

Tickets will be \$15 for adults, \$10 with ASB and \$8 for children 12 and under.

Plastic Eggs, Candy and Small Toys Needed for Easter Egg Hunt for Marine families

The city of Costa Mesa and the Costa Mesa Military Affairs Team are currently seeking donations of medium and large size plastic eggs, individually wrapped pieces of candy and small toys for the children of the City's adopted 1st Battalion 5th Marine Regiment.

The collected candy and small toys will be used to stuff the plastic eggs for the children at the Marine unit's annual Easter Egg Hunt held at Camp Pendleton.

Since the 1/5 Marines are deployed and will not be able to celebrate Easter with their families, the Easter Egg Hunt will help provide a festive event for the children.

Donations of age-appropriate small toys will be greatly appreciated. Suggestions for toy donations include yoyos, toy soldiers, ball and jacks, stickers, erasers and bling rings which will fit inside of plastic eggs.

The age groups this year are:

2 years and under
3 to 5 years
6 years and over

Donations can be dropped off at City Hall in the foot locker located in the lobby until Friday, March 18, 2016.

For further information, please contact Dan Baker in the CEO's Office at (714) 754-5156.
