

Eastside Entryway Project Complete

The median improvement project at the intersection of Del Mar Avenue and Newport Boulevard is now complete and a new entry monument sign provides a welcoming entryway to Eastside Costa Mesa.

The project included repurposing the unusable paved area in the middle of Del Mar Avenue to a beautifully landscaped median and will provide secondary benefits of traffic calming as it provides for a narrower pavement section and identifies the entry into the residential community.

Drought tolerant shrubs and boulders, signature trees and landscape lighting were installed to complete the colorful landscape pallet. Additionally, a decorative crosswalk was constructed along the east leg of the intersection.
