

Costa Mesa Fire Chief Earns State's Top Distinction

Fire Chief Dan Stefano received a distinguished career honor this week, as he became the 32nd Certified Fire Chief in California.

Stefano was presented the award at the Dec. 6 City Council Meeting by Chief Mike Richwine, California's Acting State Fire Marshal, which also included receiving a set of Certified Fire Chief collar brass.

Candidates are thoroughly vetted through the Office of the State Fire Marshal and must successfully pass a rigorous set of comprehensive performance and professional standards evaluations by a Peer Assessment Committee. The final phase includes an extensive, half-day interactive assessment and interview by a panel of professionals including an elected official, a Certified Fire Chief, and the State Fire Marshal.

Among the qualifications required to merit the award, candidates must demonstrate significant leadership and Chief Officer experience, technical and operational expertise, higher education and advanced training, community involvement, professional organization affiliations and recommendations from other fire chiefs and non-fire service professionals.

"I am truly honored and humbled to become the 32nd Certified Fire Chief in California," Chief Stefano said. "This recognition is just a small example of much greater things that the men and women of the Costa Mesa Fire and Rescue Department are accomplishing and demonstrating everyday in professionally serving the community through our core values of respect, integrity, and compassion."

The Fire Chief certification was established by the State Board of Fire Services in the 1990's as the capstone for the State's professional certification and qualification system. Today, there are over 900 fire departments in the state with fire chiefs eligible to complete the process.

Chiefs Take Part in Motor Home Madness Demolition Derby at the Fair

On Thursday Aug. 11, Costa Mesa Fire Chief Dan Stefano and Chief Rob Sharpnack participated in the Motor Home Madness Demolition Derby at the 2016 Orange County Fair.

The pair were also joined by Newport Beach Police Chief Jon Lewis. The money raised at the event goes to fund breast cancer awareness.

The first to enter the race was Chief Sharpnack.

Just after 8 p.m. Sharpnack, No. 44 (our department's designated number) entered the arena in a painted black and white RV, with the words police and SWAT painted on the sides and with police lights mounted on the top.

As the crowd cheered and began to get excited No. 51 Chief Stefano entered. Making his way around the arena, Stefano entered in a red and gold RV with flashing lights making a few laps round before parking on the opposite side of Sharpnack.

Before the event began all participants exited their RV's and

ran around the arena waving their arms and getting the crowd pumped up. Stefano ran around with two fire extinguishers, which set the crowd off.

Unfortunately, Sharpnack and Stefano got knocked out the first half, but it was an exciting event that offered a fun and light-hearted vibe drew in thousands of spectators.

Costa Mesa Fire & Rescue Unveils 90th Anniversary Badge to honor History and the Community

Costa Mesa Fire & Rescue members will wear a 90th Anniversary Badge on their uniforms for the remainder of the year to pay tribute to the valued history of over 90 years of service to the community, dating back to its origins as a volunteer fire department under the leadership the first Fire Chief Fred Brush.

“Like so many great ideas in the fire service, this one came from one of our talented firefighters, Engineer Scott Purcell,” said Fire Chief Dan Stefano. “He deserves the credit for taking his idea of a 90th anniversary badge from its conception to full implementation. We are extremely proud of our storied history serving such an incredible and vibrant community and of Scott’s passion and dedication to bring the badge to life.”

Engineer Purcell, who worked with others on the design, sought input from the entire organization, in addition to working with our community partners.

“The badge encompasses multiple aspects from within our city, county and the fire service as a whole,” Engineer Purcell said.

The center of the badge pays tribute to the legendary Segerstrom Hall, with the lima beans and oranges on the sides representing the famed farming history of Costa Mesa and the County of Orange as a whole.

The bottom of the badge includes the individual identification number for each fire and rescue team member and the axes on

either side of the badge are a signature tool of a firefighter.

The head of each axe highlights two significant numbers; the year the fire department was established and the number 343, which represents the number of firefighters that made the ultimate sacrifice on Sept. 11, 2001.
