

New Heroes Hall museum to be featured in Third annual Costa Mesa Home Tour slated for Dec. 1

The public is invited to view some of Costa Mesa's finest homes decked out for the holidays as well as the new Heroes Hall museum at the OC Fair & Event Center at the third annual Costa Mesa Home Tour on Dec. 1.

The event dubbed "Home for the Holidays" is presented by the Costa Mesa Middle and High School Foundation and takes place from 3 to 8 p.m. and will finish with a closing reception at the Room & Board store at SOC0.

Tickets to the event are \$50 and proceeds will benefit high school arts programs as well as help provide transportation for Orange County students who are visiting Heroes Hall on field trips.

In addition to Heroes Hall, those taking part in the event

will get to visit five local homes that are decorated for the holiday season.

Sponsors for this year's event includes the City of Costa Mesa, Greenleaf Gourmet Chop Shop, Room & Board, Gatehouse, SOCO, Pottery Barn and realtors from RE/MAX and Star Real Estate.

Below is a video of last year's Home Tour

Estancia High teacher and coach John Carpenter presented with Mayor's Award

Longtime Costa Mesa resident John Carpenter, who is retiring this year after 38 years as both a teacher and coach at Estancia High School, was the recipient of the Mayor's Award at the Tuesday May 17 City Council meeting.

"Tonight, we are honored to have long-time Costa Mesa resident John Carpenter here to receive the Mayor's Award," Mayor Steve Mensinger said. "John has touched the lives of many throughout this community, especially youth through his work as a teacher and coach at Estancia High School."

Carpenter move to Costa Mesa from El Paso Texas when he was 10 and attended Sonora Elementary, Davis Jr High, Costa Mesa High School and Orange Coast College.

In high school he was an All-American swimmer and a starter on

the OCC National Champion Water Polo Team in 1972. In 1985, he was named Newport Beach Lifeguard of the year.

At Estancia, Carpenter spent his career both as the school's water polo and swim coach and also as a biology teacher, serving as the Science Department Chair.

"I'd like to thank Mayor Steve Mensinger for this outstanding and humbling honor, I am deeply touched by it," Carpenter said. "I'd also like to thank the City Council for all you do. I can't believe 38 years have gone by, it's been the most wonderful time in my life and it's going to be harder to leave it."

Newport-Mesa Recognizes Six High School Seniors for Character Traits

Newport-Mesa Unified School District (NMUSD) recognized and honored six high school seniors for their character and leadership traits.

"We have a wealth of incredible students and it is gratifying to annually recognize a few of them," said Superintendent Dr. Fred Navarro. "Getting to know students and their genuine good natured approach to life is something I look forward to each year," he added.

The Character Trait Award Programs aims to highlight six seniors, one from each high school, who symbolize one of the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship.

Staff members from the six NMUSD schools nominate a student for each category and the final award choices are decided on by a small committee steered by Superintendent Dr. Fred Navarro.

Kaitlynn Kistler, Early College High School – Trustworthiness

Selected for the Character Trait Award of Trustworthiness, Kaitlynn is a dedicated, thoughtful, and hardworking student. She is a member of the National Honors Society and dedicates her time to assist struggling classmates and goes above and beyond to offer her support.

Ryan Kassel, Corona del Mar High School – Respect

Selected for Character Trait Award for Respect, Ryan is unfailingly courteous, kind and respectful to his peers, teachers, and coaches. He is captain of the Varsity Cross Country team and participates as an intern in the Biorobotics Lab at UC Irvine.

Menzin Echols, Back Bay High School – Responsibility

Selected for the Character Trait Award for responsibility, Menzin has maintained excellent attendance, stellar grades, and earned the respect and friendship of his peers as well as the Back Bay faculty and staff.

Clarissa Barragan, Estancia High School – Fairness

Selected for the Character Trait Award for fairness, Clarissa is good-natured, open minded and patient. She is respectful toward peers and staff and carefully listens to others viewpoints to ensure fairness among peers.

Peyton Espley-Jones, Newport Harbor High School – Caring

Selected for the Character Trait Award for Caring, Peyton regularly displays a caring, positive, optimistic approach to things. She is personable, compassionate, and driven to succeed. She is president of a student body of more than 2,500 students and consistently spends time and energy to improve the lives of others through her genuine caring nature.

Nora Vartanian, Costa Mesa High School – Citizenship

Selected for the Character Trait Award of Citizenship, Nora maintains a 4.3 GPA, while balancing her academic activities and activities outside of school. She is a member of the Madrigal Choir and the varsity cheer team. She advocates for the needs of herself and others and is active in her church and numerous community service activities.

The winning high school seniors reflect strong leadership traits and exuberate kindness.

Winners are applauded with a six foot banner showcasing their photo, winning character trait and school they represent displayed in the district lobby for one year. Students will also be recognized at a special ceremony June 7, 2016 at 6 p.m. in the Corona del Mar High School Performing Arts Theater.

Costa Mesa performing arts students and fans enjoy sounds of newly donated piano

The sound of music in the Costa Mesa High School Performing Arts Center is now many octaves improved with the addition of a Yamaha C6 Grand Piano donated through the efforts of a prominent alumni, a local family and the school's foundation.

The piano was unveiled Tuesday night during a Costa Mesa High School Choir concert at the performing arts center.

Speaking to the concert crowd, Costa Mesa High School Foundation President and Councilmember Katrina Foley credited the school's music director Jon Lindfors for asking the foundation to purchase the piano that was sorely needed to enhance the school's musical performances.

"This year it is no surprise that the Costa Mesa High School Foundation awarded Mr. Lindfors with our first ever Visionary Award," Foley said. "It's through his vision that Costa Mesa High School breeds an environment of innovation, culture and creativity."

In addition to the foundation donation, the piano was made possible by a \$25,000 gift from Costa Mesa High class of 1992 alumnus Lane Merrifield and local residents Bob and Sue Denton.

Merrifield is notable for being the co-founder of Club Penguin, a hugely popular virtual online gaming site for

children.

“My Costa Mesa High School music and drama experiences were so critical to me during my time there,” Merrifield told Lindfors in a written note. “I am confident that without the artistic outlet and foundation in my life that you and others provide, I would not have enjoyed the success I have today.”

Costa Mesa High Principal Jacob Haley thanked the donors for the gift to the school.

“A piano such as this is a once in-a-lifetime purchase and will serve students and audiences to come for many decades,” Haley said.

SMART Camp is back for 2016

SMART Camp, which is a collaborative program between the City of Costa Mesa and the Newport-Mesa Unified School District, will be back again this summer. The free summer camp will be held Monday through Thursday July 5 – Aug. 4 on the campus of Costa Mesa High School.

The Sports Camp will include: Aquatics, basketball, cheer, football, soccer, softball, tennis, track, volleyball and wrestling. The Music Camp will include jazz band and orchestra lessons and the Arts Camp will include two and three dimensional visual art projects and theatrical acting.

A new acting component has been added to the Arts Camp as well.

In an effort to increase participation, organization and registration, this year's SMART Camp registration will be available online through the City's ActiveNet registration software as well as in person at City Hall, Balearic Community Center, Neighborhood Community Center, and Downtown Recreation Center.

City earns 'Mega' water saver title from Mesa Water District

At the Mesa Water District's Board of Directors regular meeting on Thursday April 14, the City of Costa Mesa was recognized for its water conservation efforts and presented with the "Mega" Mesa Water Saver award.

Through the city's efforts, along with other local agencies, businesses, schools and residents, the water district has reached and exceeded the state's 20 percent conservation mandate with over 21 percent reduction in water use from June 2015 through February 2016.

"The 10 Mesa Water customers we're recognizing today include property owners and managers with varying responsibilities, who are clearly dedicated to doing the right thing and engaging in activities that achieve higher-than-average water savings during this extended drought," said Mesa Water Board President Shawn Dewane. "We're proud to be part of a community so dedicated to water efficiency."

The water district focused on outdoor watering, reducing water waste at residential, multi-family, business and government

properties.

Customers who increased water efficiency beyond expectations were responsible for higher-than-average water savings ranging from 31 percent to 56 percent.

Businesses and Homeowners' Associations amended their outdoor watering for larger landscapes to comply with Mesa Water's watering schedules that changed with seasonal temperatures and weather.

Single-family homeowners and local government agencies implemented additional water-saving techniques, including installing a pool cover, replacing thirsty turf with water-wise landscaping, updating old irrigation with drip irrigation, reducing sprinkler times, installing smart-timers, and decreasing off-peak utility use.

The following were recognized at Thursday's event by Mesa Water's Board of Directors as "Mega" Mesa Water Savers:

- Janice and Steven Frates
 - Susan and Geoff West
 - Brookview Homeowners' Association
 - Harbor Village Apartments
 - C.J. Segerstrom & Sons
 - Mariners Christian School
 - Vanguard University
 - City of Costa Mesa
 - John Wayne Airport
 - Newport Mesa Unified School District

N-MUSD Brings Home the Gold

The California Department of Education (CDE) awarded twelve elementary schools in Newport-Mesa Unified School District (NMUSD) with the California Gold Ribbon Award, in recognition of their outstanding educational programs and practices that contribute to closing the achievement gap.

The Gold Ribbon program replaces the California Distinguished Schools program during the two years that California is developing new assessment and accountability systems. The California Gold Ribbon Schools Award was created to honor schools while the California Distinguished Schools Program is on hiatus as California transitions to new assessment and accountability systems. Traditionally, the Distinguished Schools Program honored public schools that showed improved student outcomes as measured through standardized testing and reporting scores and additional measures.

The Gold Ribbon program is different from the California Distinguished Schools program in that it focuses on recognizing schools that demonstrate academic progress through the implementation of the new State standards.

The seven NMUSD schools in Costa Mesa that were honored with the California Gold Ribbon Award are:

Davis Magnet School

Davis Magnet School was recognized as a Gold Ribbon School for their success in closing the achievement gap, engaging parents and community and use of technology through their project based learning, which focuses on improving achievement in Science, Technology, Engineering and Math (STEM).

Sample project based learning at Davis Magnet School include a rollercoaster challenge, where students create a rollercoaster to learn about motion and force; develop a bio-waste digester,

which teaches students about waste matter, renewable energy, chemistry and more. The project based approach to learning has resulted in 75 percent of Davis students meeting or exceeded English language arts standards and 74 percent meeting or exceeded math standards, based on the Smarter Balanced Assessment Consortium data. These percentages are 39 to 125 percent higher than district, county, and state averages. Learn more about Davis Magnet School at <http://davisagnet.nmusd.us>.

Kaiser Elementary

Kaiser Elementary uniquely serves students in grades three through six and was selected as a Gold Ribbon School for their success implementing their Read All Day (RAD) Program. The RAD program includes various tiers of instruction, grounded on new state standards, student assessments to determine the tier of instruction that best suits each student's need, and creating a community culture of reading.

The RAD program has resulted in a 24 percent increase in student reading proficiency. Based on 2015 Smarter Balanced Assessment Consortium data, English learners exceed state averages by nine percent, socio-economically disadvantaged students exceed state averages by 11 percent and special education students exceed state standards by 18 percent. To learn more about Kaiser Elementary please visit <http://kaiser.nmusd.us>.

Killybrooke Elementary

Killybrooke Elementary School was recognized as a Gold Ribbon School for their success in implementing a college and career readiness program centered on universal achievement (as a No Excuses University school) and technology integration.

Killybrooke has made great strides in increasing achievement of all students and closing the achievement gap for English Learners and socio-economically disadvantaged students,

through six systems designed to help all students achieve, with technology (including 1:1 Chromebooks for students in grades 3-6) used as a tool to maximize student learning.

Assessments show improvement, with Academic Performance Index increasing from 667 to 867, English language arts proficiency increasing from 27 percent to 67 percent, and math proficiency increasing from 31 percent to 75 percent. Student scores exceed County and State averages. Learn more about Killybrooke Elementary at <http://killybrooke.nmusd.us>.

Paularino Elementary

Paularino Elementary School was recognized as a Gold Ribbon School for their success in creating a culture of universal achievement through their program, Reading Our Way to College. Paularino Elementary became a No Excuses University school to inspire students to attend college and also implemented an Accelerated Reader program to encourage students to read independently.

Implementation of these reading programs and other programs, focused on improving students' character virtues- such as fairness, responsibility, respect, caring, trustworthiness and good citizenship- have resulted in a 21 percent decline in the number of students reading two or more years below grade level. To learn more about Paularino Elementary please visit <http://paularino.nmusd.us>.

Pomona Elementary

Pomona Elementary School was recognized as a Gold Ribbon School for their reading instruction program, which uses small group dynamics to deliver adaptive reading instruction for students to achieve academic success. Students that require intensive intervention are placed in groups as small as two, while students who have mastered grade level foundational skills receive teacher support to move beyond grade level expectations.

The reading program, which is flexible and adjusted throughout the year, has resulted in ten percent more students scoring at benchmark reading levels. STAR testing data showed an 18 percent drop in students reading two or more years below grade level. Learn more about Pomona Elementary at <http://pomona.nmusd.us>.

Sonora Elementary

Sonora Elementary School was recognized as a Gold Ribbon School for their No Excuses University: We are College Bound program.

The We are College Bound program is designed to close the achievement gap between students in traditionally low-achieving sub-groups by implementing continuous data assessments to develop individualized academic intervention plans and address social-emotional and behavioral needs of students.

Sonora Elementary has twice been named a California Distinguished School and a Title 1 Achieving School. Learn more about Sonora Elementary at <http://sonora.nmusd.us>.

Early College High School

In 2015, the first year of the California Gold Ribbon Program, the California Department of Education recognized NMUSD's Early College High School (ECHS) with a Gold Ribbon Award. ECHS partners with Coastline Community College to offer students the opportunity to earn both a high school diploma and a year or more of transferable college credit.

With a 100 percent graduation rate, ECHS offers smaller classes, on-campus college classes, dual-credit classes, easier transition to higher education and financial savings of completing college credits in high school.

ECHS is top ten ranking among all public high schools Orange

County and has the highest California Department of Education rating of 10/10, for seven consecutive years. Learn more about ECHS at <http://earlycollege.nmusd.us>.

TeWinkle Middle School Teacher Receives Second Fulbright Award

Brian Ristow, TeWinkle Middle School Special Education Teacher and former Teacher of the Year, was awarded the Fulbright Distinguished Award in Teaching from the United States Department of State and the J. William Fulbright Foreign Scholarship Board.

Ristow is one of approximately 45 U.S. citizens who will travel abroad through the Fulbright Distinguished Awards in Teaching Program in 2016-2017. He will live and work in New Zealand to learn about the culture, society and educational system of New Zealand and share insights about the United States with colleagues at his host school. Ristow previously received Japan Fulbright Memorial Fund for Teachers Award.

“Brian is an outstanding educator and brings amazing qualities to the classroom,” said TeWinkle Middle School Principal Kira Hurst. “I am very happy for this opportunity for Brian to learn about New Zealand’s education system and hopefully bring back exciting and new ideas to TeWinkle.”

The purpose of the Fulbright Program is to increase mutual understanding between the people of the United States and those in other countries. Recipients of Fulbright grants are selected on the basis of academic and professional

achievement, as well as demonstrated leadership potential.

Fulbright recipients are among more than 50,000 individuals participating in U.S. Department of State exchange programs each year. The Fulbright Distinguished Awards in Teaching Program is administered by the Institute of International Education. To learn more about the program [click here](#).

Parks and Community Services presented with prestigious award

Costa Mesa Parks and Community Services staff attended that California Park & Recreation Society (CPRS) annual conference in Long Beach to pick up a big statewide award during the closing gala.

The Costa Mesa staff was one of only seven agencies presented with an “Award of Excellence” for creating community through innovative programming.

The city won the award for its Ranch Afterschool Program, which is a collaboration with the OC Fair & Event Center and the Newport-Mesa Unified School District.

During this unique after school experience, students focus on agricultural concepts like gardening, livestock, and leather working.

The students have a hands-on experience caring for animals on the Farm which includes: chickens, sheep, pigs, goats, llamas, cattle, and horses.

They learn responsible animal care by cleaning stalls, grooming, and exercising the animals.

Additionally, the Farm dedicates land for each student to create and maintain an individual garden. Students' gardening responsibilities include planting, watering, fertilizing, weeding, inspecting for pests and harvesting their plot.

Agricultural education helps children learn about healthy food

choices and teaches them different ways to access fresh fruits and vegetables. Most importantly, students begin to understand the deep impact agriculture has in their lives past, future and present.

“This free program is a true collaboration and would not be possible without the support of the Orange County Fairgrounds,” said Ashley Ocasio, the city’s assistant recreation supervisor. “This strategic partnership provides many Costa Mesa youth the opportunity to experience an unique after-school program, in which the focus in on agriculture and farming”

The California Park & Recreation Society awards program recognizes outstanding achievement in the areas of facility design, park planning, marketing and communication, and community improvement and programming through demonstrating the principals of resourcefulness, execution, accomplishment and alignment with the parks and recreation mission.

Mayor's award goes to longtime education leader Kirk Bauermeister

Life-long Costa Mesa resident and Newport-Mesa educator and coach Dr. Kirk Bauermeister received the Mayor's Award at the Tuesday March 15 City Council meeting.

In his 18 year career with the Newport-Mesa Unified School District, Bauermeister is the only person to serve as principal at all four of Costa Mesa's secondary schools, TeWinkle and Costa Mesa middle schools as well as Estancia and Costa Mesa high schools.

Prior to that, he was a coach and the athletic director of Costa Mesa High School.

"This was really an easy one to pick," said Mayor Steve Mensinger, regarding his choice of Bauermeister for this award. "I've never met somebody who is more committed to what he does. He gives us all inspiration."

Bauermeister, who was accompanied by his family, said from an early age he decided to follow in his father's footsteps and work in education.

"It's an honor to be recognized by a city that has done so much for me," he said.
