

Residents' concerns regarding country club construction addressed

At a recent City Council meeting, Charlene Kass, a resident of The Master's Circle in Eastside Costa Mesa, alerted the city about construction related issues she and her neighbors were experiencing from the construction taking place at the Santa Ana Country Club.

Kass said the residents of her neighborhood were dealing with dust, dirt on the roadways, a large dead tree that they felt should be removed and other construction related concerns.

Members of the Development Services team reached out to the Joseph Wagner, general manager of the country club to address the issue.

Wagner met with Kass, gave her a tour of the course and an update on the construction, which is now complete.

He reported to Development Services that the issues have been resolved and that Ms. Kass was glad to see the tree that appeared dead was now growing leaves and it will be saved.
