

The City and Anaheim Resort Transportation introduce a new Costa Mesa Shuttle Service

Anaheim Resort Transportation (ART) has teamed up with the City of Costa Mesa and Travel Costa Mesa to expand its public transportation service with a dedicated Costa Mesa-only line beginning June 15, 2017.

The ART Costa Mesa-only line is free to the public and will operate daily on a fixed route schedule. It will offer area businesses, employees, residents and visitors an easy and economical transportation option designed to enhance the dining, shopping and the arts experience in Costa Mesa.

“Costa Mesa is the focal point of the county when it comes to culinary, artistic and shopping experiences,” Mayor Katrina Foley said. “We are grateful for this new partnership with ART that offers those who live, work and shop here a free and convenient way to get to the hubs of creative culture and cuisine.”

ART will transport riders on 30-passenger (CNG) Compressed Natural Gas ART vehicles along South Bristol Street between the South Coast Metro area, South Coast Plaza, The LAB, The Camp, and Costa Mesa’s cultural arts centers.

“ART is designed to provide both locals and visitors with a convenient public transportation option, and the Costa Mesa-only line gives us a new opportunity to showcase this engaging destination,” said Diana Kotler, Anaheim Resort Transportation Executive Director. “Freeing people up with convenient transportation possibilities will give them more time to enjoy this area, from happy hours to shopping sprees. Connecting the

dots to Orange County's, dining, shopping and entertainment is what ART is all about."

Additionally, the current ART Costa Mesa/South Coast Plaza (line #22) will continue to service guests traveling from Costa Mesa hotels to the Disneyland Resort and from Anaheim area hotels to South Coast Plaza. The rider cost is \$5.50 for adults and \$2.00 for children per day.
